Re: Future Plans for the Main Post Office in Blue Springs, Missouri

Dear Mayor Ross:

This is a follow up to our announcement in December, 2012 regarding plans for the Main Post Office in Blue Springs.

We appreciate all of the comments we received at the Council meeting on 12/03/2013. They were not taken likely.

After further assessment, the Postal Service is proceeding with its' relocation project.

Please be advised, our current plan is to discontinue retail operations in the Main Post Office located at 200 NW 11<sup>th</sup> Street, move them into the Carrier Annex, located at 500 SW South Avenue, and sell the MPO building.

Your office or any member of the community may appeal this decision within the next 30 days. Your letter should be directed to:

Vice President, Facilities  
C/o Russ Rainey  
Facilities Office  
7500 E. 53<sup>rd</sup> Ave., Rm 1108  
Denver, Colorado 80266-9918

A response will be provided within 15 days. Please note that a copy of this letter is being sent to the Postmaster and will be posted in the lobby of the Main Post office for 30 days.

Sincerely,

A handwritten signature in black ink, appearing to read "Russ Rainey".
